

**Fall 2019**

**50/50 Tree Share APPLICATION**

1. The offered tree species are grouped by mature size, so careful consideration should be given to ensure that a suitable choice is made. You should look at the location you want the tree planted to determine how much room is available for your tree. You should also look at what other trees or shrubs are nearby and select a tree(s) that fits with the landscaping. Should you need assistance in making your choice, contact Public Works at (708) 335-9600 ext. 200.
